

2013 LIFE+ application package

The most important changes compared to the 2012 package are the following:

Changes common to all strands

To the extent possible, e-Proposal (the tool to be used for submission of the proposals) has been improved to take into account a series of comments formulated by the National Contact Points and on the basis of the experience of its use during the 2012 Call for Proposals.

The modifications deriving from the entry into force of the new E.U. Financial Regulation have been made where relevant.

Changes related to the NATURE and BIODIVERSITY strand

There are no major changes related to the Nature and Biodiversity strand.

Changes related to the ENVIRONMENT and INFORMATION strands

There are no changes to the thematic priorities.
